We Celebrate 60 Years as a Branch

And it is the 50th Anniversary

Of our Annual Workshop & Ball

In Winnipeg

April 21 - 23, 2023

www.rscdswinnipeg.ca

Our distinguished teachers are:

Linda Henderson

Originally from North Berwick, near Edinburgh, Linda now lives in the San Francisco Bay Area. She began Country Dancing at Primary School and she is also a former competitive Highland dancer. Linda has taught all levels of dancing in the San Francisco Branch and workshops in the United States, Canada, Europe and Australia.

Jim Stott

I started dancing in 1965 and have danced ever since. I attained my Full Certificate in 1994 and have been lucky enough to teach at many Day and Weekend schools in Britain, Europe, Japan, North and South America, Australia and at home in Scotland. For the past 14 years it has been a great honour to run Summer School in St Andrews.

Our Musicians Are:

Janette Polson - Violin

From childhood violin studies in Glasgow, Janette went on to play for Strathspey and Reel Societies in Aberdeenshire and Caithness before moving to Canada in 2005. She travels around BC and beyond for various dances and festivals.

Mary Ross - Accordion

Mary has been providing music for Scottish Country Dancing since 1991. She has offered accordion instruction and even started a student accordion band. She has toured with a Scottish musician/comedian for many years. Mary plays many genres of music for dance groups and a choir.

Ron Krug - Piano

Ron continues a more than 30-year association with Scottish country dance music. His first playing experience was for an examination class, conducted by none other than Miss Milligan. He's been terrified of Scottish country dance music ever since but tries to put on a brave face. Although he welcomes the appreciation of teachers and dancers at having live music, he is thankful for all the good, recorded music available - because it gives him a chance to dance too.
